

LAVON LAKE HUNTING POLICY

<http://www.swf-wc.usace.army.mil/lavon/hunting.htm>

AREAS. Approximately 6,500 acres in Collin County are available for public hunting. Hunting is not the exclusive use of these areas. Some areas may be cattle grazing leases or used by hikers, equestrian riders, bird watchers, etc, so please exercise caution. While much of the boundary is fenced and marked, some areas are not. It is the hunter's responsibility to become familiar with the area and the limits of public lands. Hunting on public land does not give any person the right to cross or enter private property and you could be charged with trespassing.

PERMITS. Beginning January 01, 2011, all hunters 17 years of age and older must obtain a permit each year. Hunters between the age of 9-17 are eligible for a permit with proof of Hunters Safety Course, but it is not required to hunt. Permit periods will be concurrent with the Texas Parks and Wildlife (TPWD) hunting license renewal dates. This requirement applies to all hunters regardless of season or game hunted. A single permit is good for all hunting areas and all legal game during the permit period. The permit requires a valid state hunting license, a hunter safety card or proof of exemption, a signed liability waiver, and identification. Hunters must complete a hunter activity survey in order to be eligible for a permit the following year. You may register on line at <https://lavonlakehunting.tamu.edu/> if you are a returning hunting. If new or minor you must register in person at the Lavon Lake Office, at the west end of the dam (3375 Skyview Dr. in Wylie, TX 75098), Mon thru Fri from 8:00 a.m. till 4:00 p.m. You may also register by mail by sending (attn: Hunting Program) a copy of your valid hunting license, a copy of your hunter's safety card or proof of exemption, a signed liability waiver, a copy of valid identification, two current phone numbers, and a self-addressed stamped envelope. **Failure to include any of the above items will result in the application being discarded.** All permitted hunters will receive a permit card and vehicle tag. Hunters must have this card on their person and the vehicle tag displayed when hunting at Lavon Lake. By accepting this card, hunters acknowledge receipt and understanding of hunting regulations and applicable state laws. Hunting without a valid hunting permit will constitute the issuance of citation.

HUNTER SAFETY COURSE. All persons hunting on Corps managed land must follow the TPWD guidelines for Hunter Safety Course requirements. For Hunters Safety Course proof of exemption, TPWD one-time safety certification waivers, Certifications from other states or the U.S. military will be accepted. Concealed handgun permits do not satisfy this requirement. **See Age Requirements**

AGE REQUIREMENTS. Person younger than 17 years of age **must be accompanied** (within normal voice control) by an Lavon Permitted adult with a hunter's safety certification and valid Texas hunting license.

Dog(s) may not be used for Feral Hogs.

LEGAL GAME/SEASONS. Dove, squirrel, rabbit, waterfowl, upland game birds, and feral hogs. Hunting seasons and bag limits are determined by the State of Texas. All state hunting laws apply on Corps of Engineers managed lands. Furbearers and non-game species may not be hunted or taken.

REPORTING. Each permitted hunter must complete a hunter activity survey within 12 months of the issue date of the permit and/or before the issue of next year's permit. This survey will be used to compile information about hunting activity and harvest data at Lavon Lake. *Failure to complete a hunter activity survey will be grounds for denial of future permits.*

VIOLATIONS. Violators of any of these provisions are subject to a fine and/or loss of hunting privileges. By accepting a hunter registration card, hunters agree that they have been furnished a copy of and understand this policy and agree to comply with it and all applicable state hunting laws.
